Comparison of Top Five Countries Exporting to Yemen (2014)

This chart identifies the market share of only the top five countries exporting to Yemen, so the percentages do not equal 100%. For additional information, please visit www.nusacc.org.

The data in this publication are drawn from the U.S. Bureau of the Census using the latest U.S. export information. Export numbers may understate total U.S. exports because country-specific information for some products (e.g., mining, forestry, fishing, and waste and scrap) is not available.
