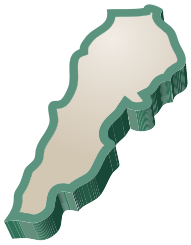
LEBANON



2009 Ranking: 65th Largest Export Market for U.S. Goods

U.S. – Lebanon Trade and Investment Framework Agreement (signed 2006)

In recent years, the U.S. has established itself as Lebanon's top trading partner. In 2009, Lebanon's exports to the U.S. fell 22.3 percent to $77 million in large part as a result of the global economic downturn, while imports from the U.S. fell by only one percent compared to $1.4 billion. U.S. foreign direct investment in Lebanon in 2008 was $211 million.

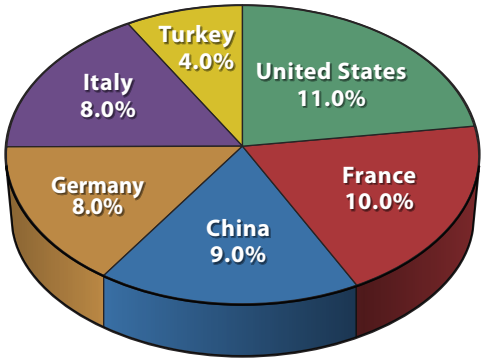
COMPARISON OF TOP SIX COUNTRIES EXPORTING TO LEBANON



This chart identifies the market share of only the top six countries exporting to Lebanon, so the percentages do not equal 100%. For additional information, please visit www.nusacc.org.

The data in this publication are drawn from the U.S. Bureau of the Census using the latest U.S. export information. Export numbers may understate total U.S. exports because county-specific information for some products (e.g., mining, forestry, fishing, and waste and scrap) is not available.
